German model/actress [Alexandra Kamp](#) knows her international runways.

"I'm from the era when models had curves on the catwalk, and men, as a result, were still dreaming of sleeping with fashion models," Kamp joked to FOXNews.com.

Since her runway days, Kamp has made over 30 films. "It helps that I can dub myself in several languages," she boasts. "I even get away playing a French which is a true challenge for a German."

"Seems to me the booty is the focus this season, as it should be!" she laughs.
